How did he live

*Not, how did he die, but how did he live?
Not, what did he gain, but what did he give?
These are the units to measure the worth
Of a man as a man, regardless of birth.
Not, what was his church, nor what was his creed?
But for his work and his care
For those people in need:
His strength for his children
His love for his partner in life,
But had he befriended those really in need?
Was he ever ready, with word of good cheer,
To bring back a smile, to banish a tear?
These are the units that measure his life
Not, what did the sketch in the newspaper say,
But how many were sorry when he passed away.*

Ashcroft - Nikki Onyeneke – Manager

Life in Ashcroft care home is all about helping our service users to enjoy more independent and fulfilling lives.

In these summer months and beyond, our focus is to support our service users to set goals and achieve these goals with the help of family members. In line with this we have introduced a project

‘ I can still live my dreams’.

We have also set up a wish tree for all service users to put up a wish and a goal they will like to achieve. One of our service users aged 106 wished to attend her previous church for a service and this was arranged for her on 11th June 2017. We strive as much as possible to make these wishes, dreams and goals a REALITY

Willowcroft – Kirsty Johnson – Manager

At Willowcroft we have been looking at individual activities for each resident and engaging / encouraging them back into the community, this has included an increase in individuals taking walks around the garden and sometimes into the community with staff. Willowcroft will continue to strive on this and improve this for our residents.

Also coming up is Willowcroft's 3rd birthday which is the 11th July 17.

We aim to celebrate this by having a barbeque in the garden area, We invite all who wish to celebrate this with us.
